**EXAMINATION-IN-CHIEF BY SPP RAJA THAKARE FOR THE STATE.**

1. I am working as guard on local train in the Western Railway. On 11/07/2006 I was on duty from 3.00 p.m. to 11.00 p.m. I was on duty on the 5.36 p.m. Churchgate Borivali slow local. One Mushraf Shaikh was the motorman of that train. The train number was 619 Dn. We reached Jogeshwari at 6.23 p.m. on platform no.1. After the train started and only the three rear coaches were on the platform, there was a loud explosion. I stopped the train, got down and went towards the coach where the explosion had taken place. It was the third coach from the motorman's cabin. It was the first class coach.

2. On reaching there, I saw dead bodies, injured persons and people running here and there. I saw that the roof of the coach was torn and the windows were broken and thrown outside. I started help in the rescue operations. The station master had come there and he informed the RPF and GRP. Nearby persons came there and with their help we took the injured to

the hospitals. Thereafter I lodged complaint. The complaint now shown to me is the same, it bears my signature and its contents are correct. (It is marked as **Ext.432**). The work of writing the FIR was over at about 2.00 a.m.
