Cross-examination by Wahab Khan for A2, 7, 10 & 13

1. I do not know whether I boarded the 645 Virar Down train on 11/07/06. However, I boarded the 5.57 p.m. Virar fast train. It may be that the train started at 5.59 p.m. It is true that as I wanted to go home early, I went first to Marine Lines station after my work. It is true that as the down fast trains do not halt in between Churchgate and Mumbai Central, I boarded a slow train and went to Churchgate. It is true that the fast train that I caught at Churchgate was slow upto Mumbai Central. I am traveling in the local trains since 10-12 years. I

gave evidence on the basis of my experience of travel. I always travel in first class. Generally, most of the passengers in the first class are the same everyday. It may be that normally the passengers sit on particular seats regularly and nearby passengers are known to them. Regular passengers are friendly to each other. Police had showed me 4-5 photographs of the bogies that were destroyed in the blasts. One or two photographs were of deceased persons. Police had showed me the photographs in the hospital. I could not identify the persons.

Cross-examination by adv Rasal for A1 and 4 to 6

2. I do not remember whether the train that I boarded was already at the platform at Churchgate. I wanted to go to Vasai. It is not true that I stood at the door as the bogie was full. It is true that persons standing on the platforms jump and board the trains for securing seats as soon as the trains come to the platform. I do not remember whether the train became full till it reached Mumbai Central. It is not true that regular passengers going to Virar always obstruct the passengers who want to get down at the stations in between.

Cross-examination by adv Wahab Khan h/f P. L. Shetty for A3, 8, 9, 11 and 12
