1. My statement was recorded on 15/07/06 at Vasai Road Railway Police Station. I boarded the 5.19 p.m. Virar train on 11/07/06 from platform no.3. I sat in the first Ist Class bogie towards Virar and on the left hand side seat facing Virar. I was on the row of three seats in the window seat on the left side in front of the row of seven seats. All seats in that bogie were occupied. I do not remember whether I had stated that I was sitting on the left side. My affidavit was prepared on 20/01/11. It was already typed and I casually went through it. I do not remember whether it was written in the affidavit that I was sitting in

the window seat on the left side facing towards Virar. I cannot assign any reason why it is not written in the affidavit. I cannot state on which direction the left side was.
